Team Nebraska Triathlon Club Uniform Order Form

TNT members may choose to wear the TNT race uniform. Team members are not required to purchase a uniform. However, wearing the uniform enables club members recognize you at races and defines you as a TNT member to the other participants.

Uniforms are specially made for the club by Louis Garneau. Orders for the club uniforms are made twice per year, in the fall and in the spring. While some extra items are ordered, there is no guarantee that the club will have items in your size when you join. However, this form allows you to receive a uniform the next time we order.

The prices listed are cost plus shipping. Your order will be mailed to you when it is received. You will receive email confirmation of the order.

Come to any club meeting and try on the uniform to determine what size is best for you. Then, fill out the form and submit it to the membership director. Pictures of the singlet top and triathlon short bottom are shown below (larger pictures are available on the team website www.teamnebraska.org).
